

Summer Publishing Institutes

Columbia Publishing Course: <http://www.journalism.columbia.edu/publishing>

New York University Summer Publishing Institute: <http://www.scps.nyu.edu/academics/departments/publishing/academic-offerings/summer-publishing-institute.html>

University of Denver Publishing Institute: <http://www.du.edu/publishinginstitute/>

There are also a few year round courses, ie Pace, Arizona State with degrees.

Internships

The university press group that a lot of internships (summer and during the semester) area announced on is:

Yale University Press: <http://yalepress.yale.edu/yupbooks/internships.asp>

Princeton University Press: http://press.princeton.edu/about_pup/interned.html

Columbia University Press: <http://www.aaupnet.org/resources/jobs-list>

Oxford University Press: attached (we just got the info for spring interns but they do them year round, inc summer only)

Cambridge University Press: http://www.cambridge.org/home/page/item6836588/?site_locale=en_US

Random House- <http://careers.randomhouse.com/Interns.html> (Not sure if this will be back next year)

Penguin: <http://www.us.penguin.com/static/pages/aboutus/employment/index.html>

HarperCollins: http://www.harpercollinscareers.com/careers/students/st_internships.html

Simon & Schuster: <http://www.simonandschuster.biz/careers/internships>

Pretty much any university press will arrange internships and there are certainly other commercial house ones. Hope this helps!
